

Scenario 13: Merci Ovarese-Intragna

Train: FS E633

MaxSpeed: 100 km/h

Service: Ovarese-Intragna

Information:

2010. Drive on a lovely winter evening the freight train Ovarese-Intragna. There shouldn't be any problems on the way, although there's a lot of traffic. Just keep your eyes on the signals...

Signalling problems:

Signal problem in Ovarese (just when leaving with the train). Keep an eye on the signals, theres lots of traffic around Ovarese and Miralago.

Further informations:

- Please install all rolling stock from the „BasicRollingStock.pdf“ file. This rolling stock is used in this particular scenario and as well in future scenarios. Please note that you eventually need to download additional rolling stock for this scenario.
