

Scenario 2: R14220 Ovarese - Breganzona C.le

Payware version

Train: DMU Aln663

MaxSpeed: 120 km/h

Service: Ovarese - Breganzona C.le

Information:

Drive a Aln 663 DMU at the rush hour along the lake „Lago di Sanabria“ to Breganzona. Please be on time, there's lots of traffic at this time on the single track line to Breganzona. And everybody would like to reach home at a decent time...

Following payware addons are necessary to run this scenario:

Anemonelab:
