

Freight train scenario for the JustTrains Three Country Corner Route

This download includes a freight train scenario for the JustTrains Three Country Corner route. The train is very heavy and the weather is quite challenging. There is also a lot of traffic which poses some challenges.

Required are 3 payware products and 6 freeware downloads.

A full list with download links is below.

I hope you will enjoy this scenario.

Version 1.0

Installation

1. Unzip the file to a place where you can find it easily (Best to use the desktop)
2. Go to your Train Simulator root folder (normally .../steam/steamapps/common/railworks) and open the “*utilities*” application
3. Click on “*package manager*”, then click on “*Install*” and search for the “*A Scenarios.rwp*” file.
4. **IMPORTANT!** Once installed open Train Simulator and clear the cache!
5. **Enjoy!**
