

# Scenario: [361][Rz] The tried and tested way

## Description:

The direct road connections to Wildau are blocked as a result of yesterday's heavy storm. Especially now, when festivities are about to begin, the Hosvenn-based brewery cannot deliver its beer in the normal way. Today it is your job to take over this delivery in the old tried and tested way:

large container transport with the Lbs 584 wagons by rail!

Have fun!

**Playtime:** approx. 35 min.      **Languages:** German, English

**Difficulty:** medium

## Installation:

The installation of the scenario is very simple.

The **Utilities.exe** is required, which is located in the RailWorks main directory by default under the path *C:\Program Files (x86)\Steam\SteamApps\common\RailWorks*.

1. run Utilities.exe
2. switch to the "Package Manager" tab
3. click on "Refresh"
4. click on "Install" and select the supplied .rwp file

If an older version of this product is already installed, uninstall it beforehand using Utilities.exe.
